RESIDENTIAL CREDIT APPLICATION

RESIDENTIAL ACCOUNT CREDIT TERMS & CONDITIONS

I (We) certify that all information provided is correct and current. I (We) authorize Scott Energy Co., Inc. to check my (our) credit records at any time they deem necessary. If credit is extended as a result of this application, I (we) agree to pay in full based on the Company's Terms of Sale. I (We) understand that legal action may be taken if I (we) fail to fulfill my (our) obligation under this agreement and I (we) will be responsible for all collection costs.

Period of Agreement:

The terms of this agreement will begin on the date of acceptance by Scott Energy Co., Inc. and shall continue until terminated by either the applicant or the Company in writing. If you wish to terminate your account, please send to P.O. Box 1439, Gloucester, MA 01931.

Terms of Sale:

All balances owed are due and payable in full within thirty (30) days of issuance of statement. Scott Energy Co., Inc. shall not accept nor be bound by any term or condition which you may propose unless such acceptance is expressly stated and signed by an authorized officer of Scott Energy Co., Inc.

Finance Charges:

A finance charge will be assessed on past due balances at the rate of 1½% per month (18% A.P.R.) or the maximum rate allowed by Massachusetts statute.

Budget Accounts:

If you are enrolled in the SmartPay Budget Plan, your account will be considered past due if a budget payment is missed; a past due account may lose budget privilege and be taken off the SmartPay Plan. Payment terms for Non Budget Items are due based on Terms of Sale outlined above.

Returned Checks and ACH Drafts:

Scott Energy will charge a \$20.00 fee each time a check or ACH draft is returned unpaid by the bank.

Maintenance of Credit:

Continuation of credit terms is extended contingent upon keeping your account in good standing. Should your account become delinquent or your financial status change, we reserve the right to change or withdraw credit terms and/or suspend fuel deliveries and service to you. In the event we have notified you that you are in default, we reserve the right to review your credit scores through a credit bureau.

Collection Costs:

Should it be necessary to engage a firm for assistance in collection of an outstanding balance, Scott Energy Co., Inc. will be entitled to and expect payment of Company's costs of collection, including without limitation, all attorney's fees, court fees, sheriff charges and all other costs of collection.

Privacy:
